B. Submitting Comments

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC posts all comment submissions at <http://www.regulations.gov> as well as entering the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Security Termination Statement." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on May 23, 2016 (81 FR 15573).

1. *The title of the information collection:* "Security Termination Statement."
2. *OMB approval number:* 3150-0049.
3. *Type of submission:* Extension.
4. *The form number if applicable:* NRC Form 136.
5. *How often the collection is required or requested:* On occasion.
6. *Who will be required or asked to respond:* NRC Employees, Licensees and contractors.
7. *The estimated number of annual responses:* 300.
8. *The estimated number of annual respondents:* 300.
9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 50.
10. *Abstract:* The NRC Form 136, "Security Termination Statement" is completed by employees, licensees and contractors in connection with the termination of their access authorization/security clearance granted by the NRC and to acknowledge and accept their continuing security responsibility.

Dated at Rockville, Maryland, this 31st day of August, 2016.

For the Nuclear Regulatory Commission.

David Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
